COOKIE POLICY

1. General Provisions

1.1. SIA "Regulatīvās Tehnoloģijas," unified registration No. 40203311340, legal address: Elizabetes street 14 – 3, Riga, LV-1010, Email address:help@aml.plus (hereinafter referred to as the "Company" or "we" as appropriate) uses cookies on its websites https://aml.plus/ and https://a.aml.plus/ (hereinafter referred to as the "Website").

1.2. This Cookie Policy has been prepared to provide visitors to the Site with information about the cookies used on the Site, the purposes for which they are used, and the procedures governing their use.

2. What is a cookie?

2.1. A cookie is a small text file that is downloaded and stored on your computer or other device (such as a smartphone or tablet) and saved in your web browser while you are visiting the respective website. On each subsequent visit, cookies are sent back to the originating website or to another website that recognizes these cookies. Cookies act as a memory for a specific website, allowing that website to recognize your computer or other device on subsequent visits; including remembering your settings (such as language preferences) or making the website easier to use. Cookies serve various purposes and have different lifespans.

3. Purpose and Legal Basis for Using Cookies

3.1. The Website uses cookies to ensure the Website's functionality and ease of use, to collect visitor statistics and information on how visitors use the Website, to tailor the Website's operation to visitors' needs, remember visitors' cookie preferences, and provide visitors with personalized information about the Company's services.

3.2. Essential cookies are enabled by default. For other cookies used on the Website, the Company requires your consent. By giving your consent in the cookie banner that appears when you visit the Website, you choose whether to allow the use of specific categories of cookies.

4. Types/Categories of Cookies and Their Uses

4.1. Cookies can be divided into several types/categories.

4.2. Depending on the length of time a cookie remains active on your device, cookies can be classified as:

4.2.1. "session cookies": These cookies are intended to collect and store data while a visitor is accessing the Website. Session cookies will exist only for the duration of the browser session; once the session ends, these cookies will be deleted. Each browser session begins when you open a browser window and ends when you close it;

4.2.2. "persistent cookies": these cookies are not deleted when the browser window is closed and are stored on the visitor's device for a specified period of time after the end of the browsing session on the Website. These cookies allow us to remember your settings or actions on the Website and use them the next time you visit the Website. During their lifetime, these cookies are activated every time you visit the Website.

4.3. Depending on the purpose for which cookies are used, they can be categorized as:

4.3.1. "Essential cookies": These cookies are essential; they ensure the proper functioning of the Website and its basic features and allow visitors to access various parts of the Website. Without these cookies, the Website cannot function properly. These cookies are necessary for the Website to function, so they cannot be disabled, and therefore your consent to this category of cookies is not required;

4.3.2. "Preference cookies": These cookies allow the Website to remember information that changes the way the Website works or looks, such as your preferred language or the region you are in. Your consent is required for this category of cookies. If you opt out of these cookies, the Website will not be able to remember the information that preference cookies allow it to remember, and your experience on the Website will be less convenient, though the Website will still function;

4.3.3. "Statistical cookies": These cookies allow us to track the number and sources of visits to the Website so that we can measure and improve the Website's performance. These cookies help us understand which pages are the most popular and which are used the least, as well as how visitors navigate the Website. For this category of cookies, requires your consent. If you opt out of these cookies, your visit will not be included in our statistics, but this will not restrict your activity on the Website;

4.3.4. “Marketing cookies”: These cookies are used to identify the content you prefer on the Website and to provide you with the most relevant information about our services, improve the personalization of our content, and enhance your experience on the Website. These cookies may be used for our advertising campaigns on third-party websites. Your consent is required for this category of cookies. If you consent to the use of these cookies, we may also receive information about our partners’ websites where you have interacted with our ads. If you opt out of these cookies, you will be shown general, less personalized ads.

4.4. List of cookies used on the website (as of September 7, 2026):

4.4.1. Essential cookies:

Name	**Service Provider**	**Duration**	**Purpose**
__cf_bm	LinkedIn	1 day	This cookie is used to distinguish humans from bots. This is useful for the Website so that it can generate valid reports on its usage.
li_gc	LinkedIn	180 days	This cookie manages the visitor’s cookie preferences, ensuring compliance with GDPR privacy rights.
CookieConsent [x2]	a.aml.plus consent.cookiebot.com	1 year	Stores the visitor’s cookie preferences for our domain.

4.4.2. Preference cookies:

Name	**Service Provider**	**Duration**	**Purpose**
lidc	LinkedIn	1 day	This cookie ensures effective load balancing, session stability, and security across all LinkedIn services.
i18n-f	a.aml.plus	persistent	This cookie is used for internationalization (i18n) and to store language preferences, ensuring that the Site displays content in the correct language based on the visitor’s settings or location.
language	a.aml.plus	persistent	Determining the visitor’s preferred language. Allows the website to use the visitor’s preferred language.
user-language	a.aml.plus	persistent	This cookie improves usability by saving and maintaining the visitor’s preferred language settings across browsing sessions.
trp_language	aml.plus	30 days	Determines the visitor’s preferred language. Allows the Site to set the preferred language when the visitor returns.

4.4.3. Statistics cookies:

Name	Service Provider	Duration	Purpose
hjSession#	Hotjar	1 day	Collects statistics on a visitor's interactions with the website, such as the number of visits, average time spent on the site, and pages viewed.
hjSessionUser#	Hotjar	1 year	Collects statistics on a visitor's interactions with the website, such as the number of visits, average time spent on the site, and pages viewed.
_hjTLDTest	Hotjar	sessions	records statistical data on visitor behavior on the website. Used for internal analysis by the website operator.
hjActiveViewportIds	Hotjar	persistent	This cookie contains an ID string for the current session. It contains non-personal information about which subpages the visitor is viewing—this information is used to optimize the visitor's experience.
hjViewportId	Hotjar	sessions	Stores the visitor's screen size so that image sizes on the website can be adjusted.

4.4.4. Marketing cookies:

Name	Service Provider	Duration	Purpose
_fbc	Meta Platforms, Inc.	3 months	A cookie used by Facebook to select ads based on a visitor's behavior and preferences across multiple websites. The cookie contains an encrypted ID that allows Facebook to identify the visitor across different websites.
_fbp	Meta Platforms, Inc.	3 months	A cookie used by Facebook to deliver a range of advertising products, such as real-time bidding from third-party advertisers.

lastExternalReferrer	Meta Platforms, Inc.	persistent	This cookie tracks how a visitor reached the Site by recording their last URL.
lastExternalReferrerTime	Meta Platforms, Inc.	persistent	This cookie tracks how a visitor reached the Site by recording their last URL.
multiFbc	Meta Platforms, Inc.	persistent	This cookie is used to track a visitor's interactions across multiple Facebook ads. This tracking helps advertisers analyze visitor engagement and optimize their advertising strategies.
_ga	Google	2 years	This cookie is used to send data to Google Analytics about the visitor's device and behavior. It tracks visitors across different devices and marketing channels.
_ga_#	Google	2 years	This cookie is used to send data to Google Analytics about the visitor's device and behavior. It tracks visitors across different devices and marketing channels.
bcookie	LinkedIn	1 year	LinkedIn uses this cookie for security, browser identification, and tracking visitor behavior for advertising purposes on LinkedIn and partner websites.
amlplus_session	a.aml.plus	3 days	This cookie is responsible for linking the browser to a server session.
browser_tags	e1-0850197d5e074be58352ddc860645af6.ecs.us-east-1.on.aws	3 months	This cookie stores tracking parameters associated with the visitor's browser session, such as the Facebook click ID (fbclid). It is used to determine the source of the visit, attribute ad impressions, and for analytics.

5. Consent to the use of cookies, withdrawal of consent, and opting out of cookies

5.1. When you visit the Website, a window appears with a notice stating that the Website uses cookies, along with information about the cookies used on the Website and a cookie preference bar.

5.2. Consent is not required for essential cookies, as these cookies ensure the basic functions and operation of the Website, and without them, the Website cannot function properly. Your consent is required for the use of all other cookies.

5.3. If you click the "Allow All" button, this means that you have consented to all cookies on the Website and confirm that you have read the information about cookies, their purposes, and the circumstances under which information is shared with third parties.

5.4. If you click the "Reject" button, only the necessary cookies—which do not require your consent—will be retained. Please note that this choice may affect the Website's functionality.

5.5. You can customize your preferences by selecting the categories of cookies you consent to and clicking the "Save Preferences" button.

5.6. You may withdraw your consent to the use of cookies or change which cookies you allow at any time. To withdraw your consent or change your cookie settings, click the icon on the Website, which will open a window where you can withdraw your consent or change your selected cookie settings.

5.7. By clearing your browser's browsing history, you can delete all cookies that have been set on your device. However, please note that in this case, you may also lose some saved information (such as your saved Website settings).

6. Other Provisions

6.1. For more information about cookies, including which cookies are set on your computer or other device and how you can manage or delete them, visit www.aboutcookies.org.

6.2. The Company reserves the right to amend this Cookie Policy at any time. Any changes to the Cookie Policy will be posted on the Website.

6.3. If you have any questions regarding the cookies used on the Website or the processing of personal data, you may contact the Company by email at:help@aml.plus . The Company's Privacy Policy is available on the Website.

The Cookie Policy is effective as of September 7, 2026.
